About

Curious and creative developer with a focus on web technologies and problem-solving. I enjoy learning new tools and building clean, thoughtful solutions through code.

Professional Experience

Freelance Web Developer (contract)
CERASP

02/2025 – present | Montreal, QC

- Developing a React-based website using Strapi as a headless CMS to allow easy content generation for the user, and lightweight responsive design across devices.

Software Developer
CERASP

01/2024 – 02/2025 | Montreal, QC

- Worked on Unity VR projects, contributing to the development and optimization of interaction simulations.

Sound Recording Technician
McGill University

01/2020 – 01/2022 | Montreal, QC

- Assisted in recording and production of high-quality audio for various projects and events.
- Operated studio equipment and collaborated with faculty and students to achieve project goals.

Production Assistant
Industrial Light & Magic (ILM)

08/2016 – 08/2018 | Vancouver, BC

- Assisted in the production of visual effects for major film projects, handling support tasks in a fast-paced environment.
- Gained experience in project coordination and creative collaboration.

Skills

Web Development
HTML, CSS, JavaScript, React, Node.js

Development Tools and Task Management
Git, Postman, AWS, Trello, Notion, Jira, Figma

Game Development
Unity, C#, FMOD

Projects

Unity Random Map Generator
Ongoing Personal Project

- Developed a random map generator inspired by procedural generation in games, integrating Kruskal's algorithm for cohesive room connections and dynamic environments with 3D models.

Chrome Plugins
Ongoing Personal Project

- Developed a Chrome plugin to normalize autoplay video/ad volume, preventing spikes.
- Explored accessible plugin development to enhance navigation for users with disabilities.
- Used JavaScript and Chrome API for seamless extension creation.

Education

AEC, Fullstack Development
John Abbott College

01/2023 – 01/2024 | Montreal, QC

Master, Sound Recording
McGill University

09/2019 – 04/2021 | Montreal, QC

Bachelor, Music
University of Ottawa

09/2009 – 04/2013 | Ottawa, ON
